Special Issue of the Hellenic Journal of Psychology

Following notification of the acceptance of their abstract, authors will have the opportunity to submit the **full manuscript** of their research for consideration in a **Special Issue** of the *Hellenic Journal of Psychology* (Editor-in-Chief: **Professor Anastasia Efklides**), which will be dedicated to selected contributions presented at the **1st Panhellenic Conference on Child and Adolescent Neuropsychology**.

Manuscripts may be submitted in **either Greek or English** until **31 July 2027**.

All submissions must comply with the **Instructions for Authors** of the *Hellenic Journal of Psychology* and will undergo the journal's standard **peer-review** process. Acceptance of a conference abstract does **not** guarantee publication in the Special Issue.

Workshop submissions are not eligible for consideration in the Special Issue.

**Submission guidelines and further details will be announced soon.*
